

Azercosmos Mid-year Highlights

2025

Dear partners and friends,

The first half of 2025 marked a period of strategic growth and innovation for Azercosmos.

From expanding commercial services across continents to various projects and activities in almost every field of the industry, we're excited to share key updates from our journey so far.

10 Years in Africa

We are celebrating 10 Years in Africa!

Azerspace services now reach 70% of African countries

Global Expansion

New international collaborations:
Projects launched with companies
from Turkey, France, Germany,
Sweden, Italy, Pakistan, UAE, Nigeria,
South Africa, Kenya, Kyrgyzstan, and
the United States.

Extended coverage in Central Asia &
Azerbaijan

Asia TV (Kyrgyzstan), Nakhchivan TV,
and Baku TV began broadcasting via
Azerspace-1.

A joint Azerbaijani TV package now
covers both European and Central
Asian beams.

Broadcast Successes

Continental TV (Nigeria) migrated to Azerspace-1 C-band via partnership with Globecast South Africa. Now, ~40 Nigerian channels are available on our satellites.

Love Island South Africa and the Comrades Marathon broadcasted via Azerspace-1, in collaboration with Globecast and Telemedia.

United Rugby Championship and Barbarians Rugby League broadcasted through Azerspace-1 in partnership with Telemedia.

Tanzania: Wasafi TV, FIG Media, Habari Njema FM and others launched on Azerspace-1 and -2.
